Exhilaration every day. Introducing Focus ST.¹

Aero-crisp. Sure-footed. Smart. Inspired. Ford Focus has it all, including the admiration of some of the toughest automotive critics around the world. This year, with the addition of the exhilarating Focus ST hatchback, there’s more to love. We’ve taken all of the fun-to-drive attributes of Focus – and pushed them even further. ST is more dynamic. More powerful. More addictive. With a high-tech cockpit that encourages you to power up. Like every 2013 Ford Focus, it’s so much more than just a car. Go further in a 2013 Ford Focus.

²Coming late 2012.
Handles fuel with care.

Every drop is effectively used in Focus, from its convenient entry through the Easy Fuel® capless fuel filler to its efficient use in the 2.0L 4-cylinder engine. Twin independent variable camshaft timing (Ti-VCT) and direct injection add extra precision, contributing to fuel efficiency. Electric power-assisted steering (EPAS), whose electric motor operates only when assistance is required, contributes to fuel efficiency as well. And Active Grille Shutters help Focus make itself even more aerodynamic and fuel efficient. This all helps Focus SE with the SFE Package¹ achieve 4.8L/100 km hwy,¹ letting you pass the pump and keep on driving.

Grabs the road. As well as plenty of attention.

Responds with precision.
Credit the sweet steering and sporty ride of Focus – especially in the corners – to standard Torque Vectoring Control and a sport-tuned suspension! Supplying precise response at highway speeds and ideal manoeuvrability at slower speeds, electric power-assisted steering (EPAS) constantly measures steering input, enhancing control. So get ready to turn some heads – including your own.

Performs with authority.
A cool, precise charge of fuel, thanks to direct injection. Efficient performance throughout the rpm range from self-adjusting twin independent variable camshaft timing (Ti-VCT). This recipe supplies ample low-end torque and peak power when you rev up all 160 hp of the 2.0L 4-cylinder engine. And with a car that handles this well, you certainly will.

A PowerShift 6-speed automatic transmission delivers torque to the wheels 100% of the time during shifts, supplying excellent responsiveness. Both Titanium and the SE Plus Package include SelectShift Automatic capability to change gears at the touch of a button. For those who like to do the gear changing themselves, Focus can also be equipped with a 5-speed manual transmission.

Available feature.
Storms out of the gate.

And never looks back. Everything about the new Focus ST is geared to get you to your destination. Quickly.

Mash the aluminum accelerator pedal and you’ll be treated to the rollicking performance of its 252-hp, 2.0L EcoBoost 4-cylinder engine that’s linked to a 6-speed manual transmission. An “overboost” feature can sustain increased torque (from 3,000 rpm to 4,500 rpm) for 15 seconds at a time, enhancing its performance feel. To further amplify your aural experience, engineers channeled the lower-engine frequencies of this signature sound into the cabin. Other ST upgrades include HID headlamps, variable-ratio electric power-assisted steering, disc brakes at all 4 corners, a unique sport suspension, dramatic centre tailpipes, eye-catching 18” Y-spoke painted aluminum wheels and available exclusive Tangerine Scream Metallic Tri-coat paint.

Inside, you’re at the centre of the action in its performance-minded cockpit. Enter and start it without inserting your key. Survey your instrumentation from RECARO® full-leather-trimmed heated front seats. Grip the unique leather-wrapped steering wheel with ST badge. Monitor the mini cluster gauges, including turbo boost, as you charge out of the corners. Advanced Torque Vectoring Control, with cornering understeer control, helps keep you firmly planted. And 3 modes on the AdvanceTrac® ESC (electronic stability control) system let you choose how much – or how little – assistance you want from the system. In Focus ST, there’s no reason to hold anything back.
Keeps you connected on the go.

With voice-activated Ford SYNC® the system recognizes your paired phone and downloads your contacts to support voice calling. It also plays music from your phone, MP3, USB or iPod®. Just touch a steering wheel button and say things like “Call: John,” or “Play genre: Hip hop.” SYNC also offers 911 Assist® with GPS location reporting. SYNC. Say the word.

With SiriusXM® Satellite Radio® you can listen to your favourites all across Canada. Your 6-month prepaid subscription gets you the best in audio entertainment including 100% commercial-free music from every genre, world-class news, sports, comedy and entertainment.

Connects you to what matters most.

To amplify your experience, upgrade to SYNC® with MyFord Touch™, which includes an 8” LCD touch screen, a 4.2” instrument cluster screen, familiar 5-way controls on the steering wheel, and a media hub with class-exclusive dual USB ports. Simple graphics and fast touch-screen responses make it easy to control your phone, entertainment, navigation and climate with this voice-activated system. The Navigation System® features interactive maps you can zoom and scroll – complete with 3D landmarks. SYNC with MyFord Touch recognizes over 10,000 voice commands – everything from “Destination: nightlife” to “Find a coffee shop.” There’s almost no limit to what you can do, all with your hands on the wheel and eyes on the road.

1Available feature. Some mobile phones and some digital media players may not be fully compatible. Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. SYNC with MyFord Touch offers voice recognition and screens in English, French and Spanish. Some features may be locked out while the vehicle is in gear. 2Available feature. SiriusXM Satellite Radio subscriptions sold after 6-month prepaid period expires. Subscriptions are governed by SiriusXM Customer Agreement; see sirius.ca. 3Available feature.
Raises your expectations.

You’ll be amazed at all that Focus has to offer inside. Luxury touches come in the form of leather-trimmed seats,¹ dual-zone electronic automatic temperature control¹ and 2 Interior Style Packages¹ (in Tuscany Red or Arctic White), which feature two-tone leather-trimmed seats, matching door-panel inserts, coordinated steering wheel trim and more. For entertainment, there’s SYNC®¹ with MyFord Touch™¹, ambient lighting¹ and a premium Audio System from Sony®¹ with 10 speakers. The best part? You’ll enjoy it all from a cockpit that was designed to help you conquer the road.

¹Available feature.
Virtually parks itself.

Talk about stress reduction. First, simply press a button and active park assist1 alerts you when it has located an appropriate parallel parking spot. Then, take your hands off the wheel and Focus literally steers itself into place. All you have to do is follow system prompts to shift gears and control the brake and accelerator pedals. In practically no time at all, you’ll be parked and ready for action. Stress-free.

1Available feature.
Driver-assist features are supplemental and do not replace the driver’s judgment.
Plays just one thing safe. Your safety.

Travel with confidence knowing that more than half of the Focus body structure is made from high-strength and ultra-high-strength steel, with critical occupant and safety zones reinforced with lightweight yet incredibly strong boron steel. After all, the thrills, exhilaration, technology and handling that Focus provides would mean little without safety. That’s why it’s engineered so that every element plays a part in helping keep you safe – from seats and airbags to steel and body. It’s safety you can depend on.

Handles the unexpected.

The next-generation, dual-stage front airbags of the Personal Safety System™ feature optimized tethering that helps to “shape” the airbag for controlled inflation. A driver’s knee airbag inflates between the knees and instrument panel in a crash. An adaptive tunnel vent helps tailor the front-seat side airbags to occupant size for personalized protection, while side-curtain airbags with roll-fold technology increase peace of mind by deploying to cover outboard seating positions in both rows of the vehicle. That’s 7 airbags in total.

AdvanceTrac® ESC (electronic stability control)\(^1\) with brake-actuated traction control automatically helps avoid skidding and fishtailing, helping you keep all 4 wheels firmly planted during inclement weather. To help ensure the tires stay properly inflated, the Tire Pressure Monitoring System (TPMS) alerts you when any tire’s pressure is low, giving you time to get help if needed.

\(^1\)Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.
With Focus, there are plenty of features that help you make it your own. Socially active? Reinforce your life-of-the-party status with unique interior lighting and a power moonroof. Have teenage drivers? Feel more secure knowing every Focus features the standard Tire Pressure Monitoring System (TPMS), and most can be equipped with available MyKey. It’s your Focus. Make sure it reflects your wants and needs.

- Ambient lighting
- Dual-zone electronic automatic temperature control
- Tire Pressure Monitoring System
- MyKey
- Power moonroof

Available feature.
Create a more meaningful driving experience: Connect with Ford Custom Accessories for authentic personalization possibilities. The cost of select accessories – ordered and purchased at the time you buy or lease your Focus – can be rolled into your monthly payment. And coverage for select accessories falls under the New Vehicle Limited Warranty. See your Ford of Canada Dealer for details.

SE Hatchback in Blue Candy Metallic Tinted Clearcoat customized with silver bodyside graphics, rear spoiler, smoked hood and side window deflectors, keyless entry keypad, moulded splash guards, roof-mounted crossbars by THULE® and 17" painted aluminum wheels

1Always wear your safety belt and secure children in the rear seat.2SOS hardware may become damaged or the battery may lose power in a crash which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner.3Fuel consumption ratings based on Transport Canada approved test methods. Actual fuel consumption will vary.4Figures achieved using premium unleaded fuel.
## SE Sedan/Hatchback
Equipment Group 200A
Includes select 5 features, plus:

### Mechanical
- Cruise control
- MyKey®

### Seating
- Rear 60/40 split fold-flat seat (hatchback only)

### Interior
- 12-volt rear powerpoint
- AM/FM stereo/single-CD player with 6 speakers
- Compass and outside temperature display
- Driver and front-passenger seat back map pockets
- Front carpeted floor mats
- Front floor console with storage and armrest
- Illuminated Entry System
- Illuminated visor vanity mirrors
- Power rear windows
- Rear-seat heat ducts
- Removable package tray (hatchback only)
- Steering wheel-mounted cruise, audio and 5-way MyFord™ controls
- SYNC® with MyFord voice-activated, in-vehicle connectivity system which includes 4.2” colour LCD displays in instrument cluster and centre stack; and media hub with 2 USB ports, SD card reader and audio/video input jacks

### Exterior
- 16” steel wheels with wheel covers and P215/55R16 tires
- Automatic headlamps
- Body-colour, heated sideview mirrors with integrated blind spot mirrors and turn signal indicators
- Black headlamp bezels
- Fog lamps with white bezels
- Piano Black grille
- Rear view camera
- Reverse Sensing System

## Titanium Sedan/Hatchback
Equipment Group 300A
Includes select SE features, plus:

### Mechanical
- PowerShift 6-speed automatic transmission with SelectShift
- Intelligent Access with push-button start
- Remote Start System (automatic transmission only)

### Seating
- Heated front seats

### Interior
- Audio System from Sony® with 10 speakers
- Ambilient lighting
- Dual-zone electronic automatic temperature control
- Front and rear carpeted floor mats
- Leather-wrapped steering wheel and shift knob
- Metallic finish on door pulls and register surrounds
- Power windows with global one-touch-up/-down feature
- SYNC with MyFord Touch™ which includes 4.2” display in instrument cluster; 8” LCD touch screen in centre stack; and media hub with 2 USB ports, SD card reader and audio/video input jacks

### Exterior
- 17” sport painted aluminum wheels with P215/50R17 tires
- Black headlamp bezels
- Body-colour, heated sideview mirrors with integrated blind spot mirrors and turn signal indicators
- Chrome beltline mouldings
- Fog lamps with chrome bezels
- Piano Black grille
- Rear view camera
- Reverse Sensing System

## ST Hatchback
Equipment Group 200A
Includes select 5 features, plus:

### Mechanical
- 2.0L EcoBoost® 4-cylinder engine
- PowerShift 6-speed manual transmission
- Full-size spare
- Intelligent Access with push-button start
- Power front and rear disc brakes
- Unique ST sport suspension tuning
- Variable-ratio electric power-assisted steering

### Seating
- RECARO® full-leather-trimmed heated front bucket seats with ST logo
- Rear 60/40 split fold-flat seat with armrest

### Interior
- Aluminum pedals
- Ambient lighting
- Analog mini cluster gauges including turbo boost pressure
- Leather-wrapped shift knob with alloy bevel cap and leather boot
- Overhead console
- Unique instrument panel finish
- Unique leather-wrapped steering wheel with ST badge
- Unique ST door-sill scuff plates

### Exterior
- 18” Y-spoke painted aluminum wheels with Y-rated Summer tires
- Body-colour, heated sideview mirrors with integrated blind spot mirrors and turn signal indicators
- Chin spoiler
- Exhaust with bright-tipped dual centre exit
- Fog lamps with black bezels
- HD headlamps with signature LED lighting
- High-mounted liftgate spoiler
- Piano Black grille
- ST badge

### Capacities
- **Litter (cu. ft.)**
  - Sedan/Hatchback: 2,410 (85.1)

- **Fuel capacity (litres)**
  - Sedan/Hatchback: 46.9

QUALITY, GREEN, SAFE AND SMART.

Our commitment to you: Peace-of-Mind Protection

- Basic Coverage: 3 years/60,000 km
- Powertrain Limited Warranty: 5 years/100,000 km
- Corrosion Warranty: 5 years/unlimited distance
- Roadside Assistance: 5 years/100,000 km

Certain conditions apply. For more information on these warranties and coverages, ask your local Ford of Canada Dealer or visit ford.ca.

Ford Extended Service Plan. Help protect your investment and add to your peace of mind by complementing your vehicle purchase or lease with a Ford Extended Service Plan (ESP). Ford ESP protects you against unexpected repair costs after your Basic Coverage in the New Vehicle Limited Warranty expires by covering many vehicle components. Enjoy the drive even more by complementing your ESP with a prepaid maintenance plan, which covers all required scheduled maintenance for your vehicle, plus 8 wear items. See your Ford of Canada Dealer for details.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your local Ford of Canada Dealer for details or check us out at fordcredit.ca.

Genuine Ford Accessories. Ford of Canada warrants that its authorized Dealers will repair or replace any Genuine Ford Accessory that is properly installed by the authorized Dealer that sold the accessory and found to be defective in factory-supplied materials or workmanship. The accessory will be warranted for whichever provides you the greatest benefit: 12 months/20,000 km (whichever occurs first), or the remainder of your 36-month/60,000-km (whichever occurs first) Basic Coverage in the New Vehicle Limited Warranty. Contact your local Ford of Canada Dealer for details.

Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's limited warranty. The warranty coverage will vary by accessory manufacturer. Ford Licensed Accessories are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your local Ford of Canada Dealer for details regarding the accessory manufacturer’s limited warranty and/or for a copy of the FLA product limited warranty offered by the accessory manufacturer.

For prompt, courteous answers to your questions: Ford Customer Relationship Centre 1-800-565-3673; Ford Credit Customer Service Centre: 1-877-636-7346.
