Drive efficiently and watch your leaves grow.

Style. Spirit. Space to spare. Enjoy them all in C-MAX Hybrid and C-MAX Energi Plug-In Hybrid. With a versatile interior, ready for people or cargo, you’ve found a spacious place to enjoy all the voice-activated benefits of SYNC® 3. Truly engaging to drive, both C-MAX vehicles offer 188 combined horsepower. This power, and 129 lb.-ft. of immediate torque, is transferred to the road with an eCVT (electronically controlled continuously variable transmission).

Switching seamlessly between its 88-kW electric traction motor and 2.0L Atkinson-cycle gasoline engine, the C-MAX power-split hybrid architecture is powered by an advanced lithium-ion battery. All-electric mode works even at highway speeds, since C-MAX engages its engine only as needed to power the battery and to enhance performance. An invigorating drive. Excellent efficiency. The 2017 C-MAX Hybrids bring it all together.

C-MAX Hybrid Titanium in Kona Blue Metallic with available equipment. Available feature. Don’t drive while distracted. Use voice-operated systems when possible, don’t use handheld devices while driving. Some features may be locked out while the vehicle is in motion. Not all features are compatible with all phones. Message and data rates may apply. SYNC voice recognition and screens available in English, French and Spanish.
Think of C-MAX Energi Plug-In Hybrid as a “hybrid plus” that gives you the choice to plug in or not. Plugging in helps you charge up to a rating of 2.7 L/100 km (88 MPGe) city/hwy combined (electricity + gas), an all-electric driving range of up to 32 km, and a gas-plus-electric driving range of 869 km. Three selectable Electric Vehicle (EV) modes let you choose which mode to drive: in electric only (EV Now), gasoline only (EV Later), or a combination of battery power and gasoline engine (EV Auto). A new SE model broadens the C-MAX Energi lineup for 2017, while new 17” machined aluminum wheels with Magnetic-painted pockets bring additional distinction to Titanium.

Recharge at home in about 2.5 hours using its LED-illuminated charge port and a Ford-recommended 240V home charging station or 240V TurboCord™. With the standard 120V convenience charge cord, charge time is about 7 hours (easily handled overnight). Please see your Ford of Canada Dealer to help facilitate a professional installation of your home charging station.

Travel with confidence knowing that the public charging station network is rapidly expanding across much of Canada. You can easily monitor and schedule your use of public charging stations with the MyFord™ Mobile app and website (myfordmobile.com). Both feature a charging station locator powered by PlugShare®. From the browser on your smartphone or through the MyFord mobile app for smart watches, you can access battery charge status, lock and unlock the doors, initiate preconditioning of the cabin, and even locate your vehicle. Find the app on the App Store® and Google Play™.

C-MAX ENERGI
TAKE CHARGE OF YOUR FUTURE.
SYNC AppLink
Use your voice to control select compatible mobile apps, thanks to standard SYNC AppLink™.

Siri Seamless Integration
Bring the power of Siri® into C-MAX with Siri Eyes Free®, your paired iPhone® and a long press of the voice recognition button on the steering wheel.

Automatic Updates Over Wi-Fi
Keep SYNC 3 current with the latest software as new updates become available. All you need is a Wi-Fi® connection.

SYNC 3
In addition to all the voice-activated benefits of SYNC® – placing and answering calls, and controlling music from your devices – you’ll love the easy-to-use interface of SYNC 3. An 8” colour LCD screen displays phone, audio and navigation® features. Enhanced voice recognition lets you give simple commands. A capacitive touchscreen includes a convenient swipe feature, as well as pinch-to-zoom functionality within navigation. SYNC 3 also brings you the options of Apple CarPlay™ and Android Auto™.

Voice-Activated Navigation System
Find your destination easily with help from the voice-activated Navigation System. Zoom and scroll through interactive maps complete with available 3-D mapping and receive voice-guided turn-by-turn directions. Easy destination entry helps you locate your favourite restaurants, nearest ATM, closest fuel station and more.

Available feature. Don’t drive while distracted. Use voice-operated systems when possible; don’t use handheld devices while driving. Some features may be locked out while the vehicle is in motion. Not all features are compatible with all phones. Message and data rates may apply. SYNC voice recognition and screens available in English, French and Spanish. Requires phone with compatible version of Apple iOS and active data service. SYNC does not control Apple CarPlay while in use. Apple is solely responsible for their functionality. Message and data rates may apply. Requires phone with compatible version of Android Auto and active data service. SYNC does not control Android Auto while in use. Google and other third parties are responsible for their functionality. Message and data rates may apply.

SYNC AppLink is compatible with select smartphone platforms and requires compatible apps to be installed and running on a capable smartphone while connected to SYNC. Commands may vary by phone and AppLink software. Message and data rates may apply. Requires SYNC 3. Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update. Data rates may apply.
C-MAX accentuates its comfortable seating for 5 and impressive 2,823 litres (99.7 cu. ft.) of passenger volume with smart standards like a 10-way power-adjustable driver’s seat (class-exclusive1 on C-MAX Energi) and a driver’s knee airbag. So you can breathe easy, a cabin air filter helps prevent pollen from entering the vehicle through the class-exclusive dual-zone electronic automatic temperature control.

Loading cargo is convenient with the class-exclusive, foot-activated hands-free power liftgate.2 The standard 60/40 split rear seat folds down, providing a flat load floor on C-MAX Hybrid. And cargo space is abundant — up to 1,489 litres (52.6 cu. ft.) inside C-MAX Hybrid and 1,211 litres (42.8 cu. ft.) inside C-MAX Energi. In-floor compartments behind the front seats discreetly hold small items like your tablet, computer or the standard 120V convenience charge cord.3

C-MAX Hybrid Titanium in Charcoal Black leather trim with available equipment. C-MAX Energi class is Small Plug-In Hybrid Vehicles based on Ford segmentation. C-MAX Hybrid class is Small Hybrid Vehicles based on Ford segmentation.1 Available feature. C-MAX Energi Plug-In Hybrid only.2 Available subscriptions sold after 6-month prepaid period expires. Subscriptions are governed by SiriusXM Customer Agreement; see siriusxm.ca. Data rates may apply.

MORE POSSIBILITIES.

SiriusXM

Listen to your favourites all across Canada. Your 6-month prepaid subscription gets you the best in audio entertainment including 100% commercial-free music from every genre, world-class news, sports, comedy and more. Plus, listen anywhere online and on the SiriusXM® app.4
Battery charge status is displayed in the instrument cluster.

C-MAX Energi Titanium in Ruby Red Metallic Tinted Clearcoat with available equipment.

Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle.

1 Available feature. 2 BLIS replaces standard integrated blind spot mirrors. 3 EcoSelect only.

Smart technology on C-MAX can help with curbside parking, backing up, detecting vehicles in your blind spots, maximizing your efficiency and more. Make parallel parking easier with active park assist! This system not only helps you find a spot, it actually steers the vehicle into place while you control the gear shifter, and brake and accelerator pedals. Help gauge how close something is to the back of your vehicle using the rear view camera, which displays a full-colour image on the 8” screen of SYNC® 3. BLIS® (Blind Spot Information System) with cross-traffic alert1 helps alert you to traffic detected in your blind spots, or when traffic nears either side of the vehicle as you slowly back up.

Empower yourself with real-time feedback from the vibrant green leaves on the standard SmartGauge® with EcoGuide. The more efficiently you drive, the more lush your vine will be – giving you coaching, guidance and confirmation with every drive. The system also includes a Brake Coach to help you optimize your driving range (and grow more leaves) with regenerative braking. Together with EcoSelect2, which allows C-MAX Hybrid to operate more efficiently by reducing the amount of power drawn from the vehicle, you can help maximize fuel efficiency. EcoCruise is also included. Steering wheel-mounted controls and a built-in tutorial make it all easy to use.

Empower EACH DRIVE.
**ENGINES/ESTIMATED FUEL CONSUMPTION RATINGS**

- **C-MAX Hybrid and C-MAX Energi**
  - Combined horsepower: 188
  - Gas engine torque: 129 lb.-ft.
  - Electronically controlled continuously variable transmission (eCVT)
  - 5.6L/100 km city and 6.4L/100 km hwy

- **C-MAX Energi 1,624 (63.9)**
  - Cargo volume behind front seats: 148.9 cu. ft.

- **C-MAX Energi 52.9**
  - Cargo volume behind front seats: 14.8 cu. ft.

**STANDARD FEATURES**

- **Mechanical**
  - Active Grille Shutters
  - Brakes – Regenerative Braking System with 4-wheel disc Anti-Lock Brake System (ABS)
  - Engine – 2.0L IVCT Atkinson-cycle 4-cylinder
  - Engine block heater
  - Front-wheel drive (FWD)
  - Motor – Permanent-magnet AC-synchronous electric (88-kW)
  - Parking brake – Electric-assist
  - Steering – Electric power-assisted (EPAS)
  - Suspension – Gas-pressurized shock absorbers
  - Suspension – Independent front and rear with stabilizer bars
  - Tire inflator and sealant kit

- **Transmission** – Electronically controlled continuously variable (eCVT)

- **Driver-Assist Technology**
  - Headlights – Automatic with courtesy delay

- **Seating**
  - 5-passenger seating
  - Front – 4-way adjustable head restraints
  - Front – 10-way power driver’s seat including power lumbar
  - Front – Heated bucket seats
  - Rear – 60/40 split forward-folding bench seat with 2-way adjustable head restraints for all 3 seating positions

- **Interior**
  - Active noise control
  - Cabin air filter
  - Cargo area – Tie-down hooks (4)
  - Climate controls – Dual-zone electronic automatic temperature control
  - Console – Front centre with armrest and storage
  - Cruise control
  - Cupholders – 2 front, 2 rear
  - Displays – Outside temperature, compass and trip computer
  - Flooring – Front and rear carpeted floor mats
  - Grab handles – Rear with integrated coat hooks
  - Illuminated glove compartment
  - Lighting – Fade-to-off
  - Lighting – Front, rear and cargo dome lights
  - Lighting – Illuminated entry
  - Locks – Power door with autolock
  - Remote liftgate release

- **Exterior**
  - Bumpers – Body-colour
  - Daytime running lights
  - Door handles – Body-colour
  - EasyFuel® capless fuel filler
  - Headlights – Halogen with LED signature lighting
  - Mirrors – Body-colour, power, heated sideview with integrated turn signal indicators, security approach lights and integrated blind spot mirrors
  - Mouldings – Black rocker panel
  - Rear spoiler – Body-colour
  - Rear-window defroster
  - Remote Keyless Entry System with 2 integrated keyfobs
  - Tires – P225/50R17
  - Wipers – Front: speed-sensitive, variable-intermittent with washer; rear: 2-speed with washer

- **Safety & Security**
  - 3-point safety belts for all 5 seating positions
  - Airbags – Personal Safety System™ for driver and front passenger includes dual-stage front airbags, safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver’s seat position sensor, crash severity sensor, restraint control module and Front-Passenger Sensing System
  - Airbags – Driver’s knee
  - Airbags – Front-seat side
  - Airbags – Safety Canopy® System with side-curtain airbags and rollover sensor
  - AdvanceTrac® with RSC® (Roll Stability Control™)
  - Battery saver with headlights-off delay
  - Child-safety rear door locks
  - LATCH – Lower Anchors and Tether Anchors for Children
  - MyKey®
  - Perimeter alarm
  - Rear view camera
  - SecuriLock® Passive Anti-Theft Engine Immobilizer System
  - SOS Post-Crash Alert System™
  - Tire Pressure Monitoring System

- **SiriusXM® with 6-month prepaid subscription
  - SmartGauge® with EcoGuide
  - Steering column – Manual tilt/telescoping
  - Steering wheel – Leather-wraped with cruise, audio and 5-way controls
  - Storage – Front seat back map pockets
  - Storage – Overhead console
  - Storage – Rear-in-floor storage compartments
  - Visors – Adjustable driver and front-passenger with illuminated vanity mirrors
  - Windows – Power with one-touch-up-down and global open features

**DIMENSIONS**

- **Exterior mm (in.)**
  - Wheelbase: 2,648 (104.3)
  - Length: 4,410 (173.6)
  - Height: 1,624 (63.9) C-MAX Hybrid, 1,620 (63.8) C-MAX Energi
  - Width – Mirrors folded: 1,920 (75.6)
  - Width – Including mirrors: 2,086 (82.1)

- **Interior mm (in.)**
  - Head room: 1,041 (41.0)/1,002 (39.4)
  - Leg room (max.): 1,096 (43.1)/928 (36.5)
  - Hip room: 1,378 (54.3)/1,318 (51.9)
  - Shoulder room: 1,421 (55.9)/1,403 (55.2)
  - Cargo length with rear seats up: 1,644 (64.7)
  - Cargo length with rear seats folded: 1,677 (66.0)
  - Cargo length with rear seats folded: 1,620 (63.8)
  - Cargo length with rear seats folded: 1,624 (63.9)

- **Capacities litres (cu. ft.)**
  - Passenger volume: 2,823 (99.7)
  - Cargo volume before front seats: 1,489 (53.8) C-MAX Hybrid, 1,211 (42.6) C-MAX Energi
  - Cargo volume before rear seats: 694 (24.5) C-MAX Hybrid, 545 (19.2) C-MAX Energi
  - Fuel tank litres: 5.1 C-MAX Hybrid, 5.9 C-MAX Energi

**Fuel consumption rating based on Government of Canada approved test methods. Actual fuel consumption will vary for all ratings. L/100 km is the Government of Canada equivalent measure of gasoline fuel efficiency for electric mode operation. Always wear your safety belt and secure children in the rear seat.**

### Rewarding Incentives

Electric Vehicle (EV) rebates may be available through your provincial government related to your purchase or lease of a new Ford C-MAX Energi Plug-In Hybrid, as well as to the purchase and installation of an eligible 240V home charging station. Plus, your vehicle may be eligible for a “Green Licence Plate,” which provides single-occupant access to High Occupancy Vehicle (HOV) lanes, as well as toll exemptions in some areas. To learn more, contact your local Ford of Canada EV Certified Dealer.
C-MAX Hybrid SE in White Platinum Metallic Tri-coat accessorized with roof-mounted crossbars and roof-mounted cargo box by THULE®, side window deflectors and hood protector by LUND®, and moulded splash guards

**Exterior**
- Charge door decal¹
- Full vehicle covers
- Hood protector¹
- Racks and carriers¹ (B)
- Rear bumper protector (A)
- Side window deflectors²
- Splash guards
- Wheel lock kits

**Interior**
- All-weather floor mats (C)
- Ash cap trim holders
- Cargo area protector (A)
- Cargo organizers and protectors
- Carpeted floor mats
- Change card bag²
- Door sill plates
- Interior light kit³
- Tablet cradle¹

**Electronics**
- Keyless entry keypad⁴
- Remote start systems
- Reverse Bumper-Mounted Warning Sensor System¹
- Vehicle Security System

**Ford Protect plans.** Help protect your investment and add to your peace of mind by complementing your vehicle purchase or lease with a Ford Protect plan. Ford Protect offers you protection against unexpected repair costs after your Basic Coverage in the New Vehicle Limited Warranty expires by covering many vehicle components. Enjoy the drive even more by complementing your Ford Protect plan with a prepaid maintenance plan, which covers all required scheduled maintenance for your vehicle, plus eight wear items. Ask your dealer for a Ford Protect plan, the only service contract backed exclusively by Ford and honoured at all Ford Lincoln dealerships.

**Ford Credit.** Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your local Ford of Canada Dealer for details or check us out at fordcredit.ca.

**Ford Original Accessories**

- That are properly installed by the authorized Dealer that sold the accessory will be warranted for whichever provides you the greatest benefit: 24 months/unlimited distance, or the remainder of your 3-year/60,000-km New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your local Ford of Canada Dealer for details and/or a copy of all limited warranties.

For prompt, courteous answers to your questions:

**OUR COMMITMENT TO YOU:**

**PEACE-OF-MIND PROTECTION**

- Basic Coverage: 3 years/60,000 km
- Powertrain Limited Warranty: 5 years/100,000 km
- Corrosion Perforation Warranty: 5 years/unlimited distance
- Roadside Assistance: 5 years/100,000 km

**Hybrid/Electric Unique Component Coverage**
Your vehicle’s unique hybrid/electric components are covered during the Hybrid/Electric Unique Component Coverage, which lasts for 8 years or 160,000 km, whichever occurs first. The following hybrid parts are covered during this extended coverage period: high-voltage battery, hybrid continuously variable transmission, Inverter System Controller (ISC), DC/DC converter, high-voltage battery connector, battery pack fan assembly, thermistor probe, Hybrid Battery Pack Sensor Module (HBPSM), Battery Energy Control Module (BECM), and PHEV onboard charger. See your Owner’s Guide for important tips on how to maximize the life and capacity of the lithium-ion battery.
