ENLARGE YOUR TERRITORY. Whether on the town for a night or at the cottage for a week, we are all teammates. Connecting with each other — and our environment. Striving for the truly extraordinary. The destinations constantly change. What really matters is the confidence to go. As well as the memory-making experiences shared along the way. Life is a Sport. This is your Utility. Be Unstoppable. The 2017 Ford Expedition.
POWER TO EARN YOUR TRUST.

Road Warrior

Get your cargo where it needs to go. With a best-in-class max. towing capacity¹ of 9,200 lbs. (4,173 kg) and systems to help keep that brawn in check. Hitch up easily — using the full-colour rear view camera display — and head out. Even with a heavy load, the mechanical load-leveling rear suspension² levels the chassis to help ensure a steady ride. Further balance comes from an integrated trailer brake controller that helps keep vehicle brakes and electric trailer brakes working together. When starting up an incline, hill start assist momentarily maintains brake pressure until the engine delivers enough torque to move you. Expedition advances your adventures.

Off The Beaten Path

A class-exclusive off-road display in the vibrant instrument cluster colour screen empowers you with key information: vehicle pitch angle, bank angle, wheel direction and more. For increased confidence, Expedition is equipped with Hill Descent Control™ which helps maintain vehicle speed on steep declines so you can concentrate on manoeuvring.

3.5L EcoBoost

Your confidence grows every time you press the accelerator in Expedition. With 365 horsepower and 420 lb.-ft. of torque, the surge from its twin-turbocharged, direct-injection 3.5L EcoBoost® engine grabs hold of you. Teamed with a 6-speed automatic transmission with SelectShift® capability, its power makes the drive just as fun as the destination.

Fuel consumption ratings:
15.9L/100 km city and 12.0L/100 km hwy (18 mpg city/24 hwy) Expedition

XLT in Blue Jeans Metallic with available equipment. Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. When properly equipped. Class I Extended Utility based on Ford segmentation. Available feature. ¹Trailer brake controller verified to be compatible with electrically actuated drum brakes and certain electric-over-hydraulic brake systems. See your Ford of Canada Dealer for details. Fuel consumption ratings based on Government of Canada approved test methods. Actual fuel consumption will vary.
ROOM FOR EVERYONE, AND EVERYTHING. In Expedition, one of the best parts of any trip is the drive. So the fun starts when you leave the driveway. Up front, the large centre console features abundant storage and includes 2 smart-charging USB ports² to keep your mobile phones charged. Power-adjustable brake and accelerator pedals feature memory settings² for 2 different drivers, as do the 10-way power, heated and cooled front bucket seats². And because you’re travelling with roomy seating for up to eight, friends can enjoy heated 2nd-row outboard seats² and best-in-class 3rd-row legroom. To quickly switch from carrying people to transporting cargo and back again, the PowerFold³ 3rd-row seat operates with one-touch push-button ease.

Platinum MAX in Brunello luxury leather trim with perforated inserts and available equipment. Cargo and load capacity limited by weight and weight distribution. 
²Cargo volume behind 3rd-row seat compared to regular-length Expedition. 
²Available feature. 
³SiriusXM subscriptions sold after 6-month prepaid period expires. 
Subscriptions are governed by SiriusXM Customer Agreement; see siriusxm.ca. Data rates may apply.

SiriusXM³

Listen to your favourites all across Canada. Your 6-month prepaid subscription gets you the best in audio entertainment including 100% commercial-free music from every genre, world-class news, sports, comedy and entertainment. Plus listen anywhere online and on the SiriusXM³ app³.
In addition to all the voice-activated benefits of SYNC® – placing and answering calls, and controlling music from your devices – you’ll love the easy-to-use interface of SYNC 3.®® An 8” colour LCD screen displays phone, audio and navigation features. Enhanced voice recognition lets you give simple commands. A capacitive touchscreen includes a convenient swipe feature, as well as pinch-to-zoom functionality within navigation.

Voice-Activated Navigation System

Find your destination easily with help from the voice-activated Navigation System.® Zoom and scroll through interactive maps complete with available 3-D mapping and receive voice-guided turn-by-turn directions. Easy destination entry helps you locate your favourite restaurants, nearest ATM, closest fuel station and more.

SYNC 3

SYNC AppLink

Use your voice to control select compatible mobile apps, thanks to standard SYNC AppLink.™

SYNC AppLink is compatible with select smartphone platforms and requires compatible apps to be installed and running on a capable smartphone while connected to SYNC. Commands may vary by phone and AppLink software. Message and data rates may apply. Requires SYNC 3.®

Automatic Updates Over Wi-Fi

Keep SYNC 3 current with the latest software as new updates become available.® All you need is a Wi-Fi® connection.

Siri Seamless Integration

Bring the power of Siri® into expedition with Siri Eyes Free® your paired iPhone® and a long press of the voice recognition button on the steering wheel.

Available feature.® Don’t drive while distracted. Use voice-operated systems when possible; don’t use handheld devices while driving. Some features may be locked out while the vehicle is in motion. Not all features are compatible with all phones. Message and data rates may apply. SYNC® voice recognition is available in English, French and Spanish.®

Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update. Data rates may apply.®

Limited MAX in Ruby Red Metallic Tinted Clearcoat with available equipment.

Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. Available feature. Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions. BLIS replaces standard integrated blind spot mirrors.

REFINE THE ROAD.

**Continuously Controlled Damping**
You’ve got the power and space you want. Now get the ride feel that suits you by setting the continuously controlled damping (CCD) to any of 3 drive modes. Select Normal for everyday driving, or Comfort for a softer ride on a mellow Sunday cruise. Expedition really shines off its great handling when you switch to Sport mode. CCD is paired with 22" polished aluminum wheels on Platinum.

**AdvanceTrac with RSC**
Add to your peace of mind with the knowledge that AdvanceTrac® with RSC® (Roll Stability Control™) is standard on every Expedition. Providing enhanced vehicle stability in a wide range of conditions, the system selectively applies individual brakes and modifies engine power to help keep all 4 wheels firmly planted.

**BLIS (Blind Spot Information System)**
Alerts you with a light in either sideview mirror if its radar sensors detect a vehicle in the corresponding blind spot. Cross-traffic alert, part of the system, notifies you with a beep and a warning light in your sideview mirror if it detects a vehicle approaching either side as you slowly back Expedition out of a parking space. Either way, BLIS® with cross-traffic alert helps keep you aware of things that may be just out of your line of sight.
TAKE CHARGE OF YOUR ADVENTURES.

Fine appointments. Built-in capability. The 2017 Expedition Platinum can take you from a night on the town to a cabin in the woods, with utmost ease and complete confidence. Your calling card for luxurious adventure, its polished stainless, power-deployable running boards, 22” polished aluminum wheels, unique grille accents, and unique liftgate appliqué offer a preview of the elegance that awaits inside.

A voice-activated Navigation System puts you in command of your surroundings in this luxurious cockpit. Soft ambient lighting, a power moonroof and luxury leather-trimmed seats in Brunello or Ebony with stitched PLATINUM lettering bring richness to this spacious interior. As does the leather-wrapped steering wheel and centre console armrest with Agate stitching. Whatever the conditions outside, Platinum helps ensure that you’ll be more than comfortable inside.
When people say they love their vehicle, it’s often the unexpected features that steal their heart. In Expedition, it’s easy to get attached to stargazing out of its power moonroof or recharging your portable devices with its 110-volt/150-watt-capacity AC power outlet. And not only does the standard 2nd-row 40/20/40 split-fold seat fold completely flat, its CenterSlide® functionality can move the middle section forward almost 280 mm, giving you convenient access to a child seat. Expedition MAX provides best-in-class max. cargo space of 3,703 litres (130.8 cu. ft.), so you don’t need to spend time worrying about what to leave behind. There are plenty of ways to creatively stow all your stuff, including a Cargo Management System® behind the rear seat that can be positioned as either a cargo shelf or a divider.
Always wear your safety belt and secure children in the rear seat.

Fuel consumption ratings based on Government of Canada approved test methods. Actual fuel consumption will vary for all ratings.

---

**Ford Protect plans.** Help protect your investment and add to your peace of mind by complementing your vehicle purchase or lease with a Ford Protect plan. Ford Protect offers you protection against unexpected repair costs after your Basic Coverage in the New Vehicle Limited Warranty expires by covering many vehicle components. Enjoy the drive even more by complementing your Ford Protect plan with a prepaid maintenance plan, which covers all required scheduled maintenance for your vehicle, plus eight wear items. Ask your dealer for a Ford Protect plan, the only service contract backed exclusively by Ford and honoured at all Ford Lincoln dealerships.

**Ford Credit.** Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your local Ford of Canada Dealer for details or check us out at fordcredit.ca.

**Ford Original Accessories** that are properly installed by the authorized Dealer that sold the accessory will be warranted for whichever provides you the greatest benefit: 24 months/unlimited distance, or the remainder of your 3-year/60,000 km New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your local Ford of Canada Dealer for details and/or a copy of all limited warranties.
