Fun. That’s the feeling you get when you drive Fiesta. Just take a corner and you’ll be hooked. With nimble and responsive handling, Fiesta thrives on curves as much as it does on straightaways. Combine that with your choice of sedan or hatchback. Smart connectivity via voice-activated SYNC® that is now compatible with Apple CarPlay™ and Android Auto™. Plus, the comfort of heated, leather-trimmed front seats. Add great efficiency¹ and your fun can last all day long. Go further in the 2017 Ford Fiesta.

Titanium Hatchback in Blue Candy Metallic Tinted Clearcoat with available equipment. Available feature. ¹Don’t drive while distracted. Use voice-operated systems when possible; don’t use handheld devices while driving. Some features may be locked out while the vehicle is in motion. Not all features are compatible with all phones. Message and data rates may apply. SYNC voice recognition and screens available in English, French and Spanish. ¹¹4.1 L/100 km city and 5.9 L/100 km hwy (25 mpg city/33 hwy). 1.0L EcoBoost.¹²Fuel consumption ratings based on Government of Canada approved test methods. Actual fuel consumption will vary.
In addition to all the voice-activated benefits of SYNC® – placing and answering calls, and controlling music from your devices – you’ll love the easy-to-use interface of SYNC 3. A 6.5” colour LCD screen displays phone, audio and navigation features. Enhanced voice recognition lets you give simple commands. A capacitive touchscreen includes a convenient swipe feature, as well as pinch-to-zoom functionality within navigation. SYNC 3 also brings you the options of Apple CarPlay™ and Android Auto.

Voice-Activated Navigation System

Find your destination easily with help from the voice-activated Navigation System. Zoom and scroll through interactive maps complete with available 3-D mapping, and receive voice-guided turn-by-turn directions. Easy destination entry helps you locate your favourite restaurants, nearest ATM, closest fuel station and more.

SYNC AppLink

Use your voice to control select compatible mobile apps, thanks to standard SYNC AppLink™.

Siri Seamless Integration

Bring the power of Siri® into Fiesta with Siri Eyes Free®, your paired iPhone® and a long press of the voice recognition button on the steering wheel.

Automatic Updates Over Wi-Fi

Keep SYNC 3 current with the latest software as new updates become available. All you need is a Wi-Fi® connection.

Data rates may apply.

Available feature. “Don’t’ drive while distracted. Use voice-operated systems when possible; don’t use handheld devices while driving. Some features may be locked out while the vehicle is in motion. Not all features are compatible with all phones. Message and data rates may apply. SYNC voice recognition and screens available in English, French and Spanish. Requires phone with compatible version of Apple iOS and active data service. SYNC does not control Apple CarPlay while in use. Apple is solely responsible for their functionality. Message and data rates may apply. Requires phone with compatible version of Android Auto and compatible data service. SYNC does not control Android

Auto while in use. Google and other third parties are responsible for their respective functionality. Message and data rates may apply. SYNC AppLink is compatible with select smartphone platforms and requires compatible apps to be installed and running on a capable smartphone while connected to SYNC. Commands may vary by phone and AppLink software. Message and data rates may apply. Requires SYNC 3. Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update. Data rates may apply.
EFFICIENCY IN 3 SIZES.

With 3 engines in the lineup, Fiesta lets you choose just how efficient you want your drive to be. First up is the standard 1.6L Ti-VCT engine that’s paired with a 5-speed manual transmission. If you prefer Fiesta to do the shifting for you, a PowerShift 6-speed automatic transmission1 delivers that extra-connected feel by helping to provide torque to the front wheels 100% of the time during shifts.

For the ultimate in Fiesta efficiency, opt for the SE Manual EcoBoost® Package. Equipped with its 1.0L EcoBoost engine, Fiesta has a rating of 5.7L/100 km (37 mpg) hwy2 – along with an impressive 123 horsepower and 125 lb.-ft. of torque. A 15-second “overboost” feature can temporarily boost that to 148 lb.-ft. of torque. Rounding out the trio is the 197 horsepower, high-output 1.6L EcoBoost of Fiesta ST. It supplies enthusiastic performance, plus a rating of 7.1L/100 km (40 mpg) hwy.

Fuel consumption ratings based on Government of Canada approved test methods. Actual fuel consumption will vary for all ratings. 1.6L Ti-VCT with PowerShift 6-speed automatic transmission. 1.0L EcoBoost engine. 15-second “overboost” feature can temporarily boost that to 148 lb.-ft. of torque. 197 horsepower, high-output 1.6L EcoBoost of Fiesta ST. THRILL SEEKERS, TAKE YOUR SEAT.

The driver’s seat, of course. As you throw the leather-wrapped 6-speed manual shift knob through its paces, you’ll be firmly gripped by RECARO® partial leather-trimmed, heated 6-way front seats for the driver and front passenger. From this exhilarating vantage point, enjoy the amplified engine sounds from a turbocharged, high-output 1.6L EcoBoost® engine that are piped into the cabin through a sound symposer, as well as the resounding boom of the 8-speaker Audio System from Sony®.

Fiesta ST delivers a best-in-class¹ 197 horsepower and 202 lb.-ft. of torque. An “overboost” feature can extend peak torque for up to 16 seconds. Paired with a manual gearbox, the engine’s power is put to good use by a unique sport-suspension architecture with European-inspired tuning and 17” summer-compound performance tires. For extra bravado, dress up the standard Red-painted brake calipers with 17” Premium Ebony Black-painted aluminum wheels.²

ST Hatchback in new Orange Spice Metallic Tri-coat with available equipment. Class is High Performance Subcompact Manual Cars based on Ford segmentation. Horsepower and torque ratings achieved with 93-octane fuel. Ford does not recommend using summer tires when temperatures drop to approximately 7°F or below (depending on tire wear and environmental conditions) or in snow/ice conditions. If the vehicle must be driven in these conditions, Ford recommends using all-season or snow tires. Available feature.

Heat your front seats to 1 of 2 heat settings.

Titanium Hatchback in Charcoal Black leather trim with available equipment.

Available feature.

285 litres (10.1 cu. ft.) in Fiesta ST.

SiriusXM subscriptions sold after 6-month prepaid period expires. Subscriptions are governed by SiriusXM Customer Agreement; see siriusxm.ca. Data rates may apply.

Fiesta’s fun exterior styling will get people to notice. They’ll be even more impressed when they step inside. Especially when you enter and start Fiesta – without using a key. With its Intelligent Access key fob in your pocket, just touch the door handle and you’re in. Then, press the brake pedal and push the start button. Keep your paired smartphone charged by plugging into the full centre console with padded armrest.

Heat your front seats, in cloth or leather trim. They’re sport-bolstered for support. Cool things down with electronic automatic temperature control, which automatically maintains settings chosen by the driver or front passenger. Choose your interior accent hue from 1 of 7 colours of ambient lighting! Or, let the sun and breeze stream in through the power moonroof. Enjoy easy access to the rear cargo area in Fiesta Hatchback. With the rear seat up, you’ll find 423 litres (14.9 cu. ft.) of storage space to utilize when you open the hatch. Or, fold both sides of the 60/40 split rear seat down and you’ve got 720 litres (25.4 cu. ft.) of cargo space.

Listen to your favourites all across Canada with SiriusXM. Your 6-month prepaid subscription gets you the best in audio entertainment including 100% commercial-free music from every genre, world-class news, sports, comedy and entertainment. Plus, listen anywhere online and on the SiriusXM app.
SE Hatchback in Ruby Red Metallic Tinted Clearcoat with available equipment. 

Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

Underneath the aerodynamic shape of the 2017 Fiesta, there are many protective layers. Strength surrounds you in the form of a rigid safety cage. High-strength and ultra-high-strength boron steel work with SPACE (Side Protection And Cabin Enhancement) Architecture to help divert crash forces from occupants. Next, 7 standard airbags include: driver and front-passenger front; driver’s knee; front-seat side; and side curtains.

Underpinning it all, AdvanceTrac® ESC (electronic stability control) automatically helps avoid skidding and fishtailing, helping keep all 4 wheels firmly planted.1

SE Hatchback in Ruby Red Metallic Tinted Clearcoat with available equipment. 1Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.
